PROFESSIONAL SUMMARY

Full Stack Developer with hands-on project experience in building web applications using **React.js, Next.js, TypeScript, Python, Django, Django REST Framework (DRF), REST APIs, JWT authentication, and PostgreSQL**. Contributed to a **live CRM project** and developed a personal **e-commerce application**, gaining practical experience in responsive web development, frontend-backend integration and relational database design. Seeking an opportunity to contribute to real-world software projects and grow professionally.

TECHNICAL SKILLS

- **Frontend:** React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Bootstrap 5, Material UI, Redux, Vite, Responsive Web Design
- **Backend:** Python, Django, Django REST Framework (DRF), Flask, REST API Design, JWT Authentication
- **Database:** PostgreSQL, Django ORM, SQL, Relational Database Design, RDBMS
- **Tools:** Git, GitHub, GitLab, Postman, VS Code, Figma, Vercel, Render
- **Core Concepts:** Full Stack Development, State Management, Component Architecture, Client-Server Architecture, Software Development Workflows

PROJECTS

CRM - Customer Relationship Management (CRM) System
Team Project | Next.js, React.js, TypeScript, Material UI (MUI), Python, Django REST Framework, PostgreSQL, REST APIs, Git

- Developed **frontend and backend functionality** for CRM detail pages, including responsive layouts and reusable UI components.
- Implemented **activity management, REST APIs, and CRUD operations,** collaborating with the team using **Git**.
- **Live Project:** View Project.

STYLE.CO – E-Commerce Web Application
Personal Project | *React.js, Redux Toolkit, Python, Django REST Framework (DRF), PostgreSQL, REST APIs, JWT Authentication*

- Developed a full-stack e-commerce application with responsive product pages, product management, shopping cart, checkout, and order history.
- Integrated **REST APIs**, **JWT authentication**, and **Redux Toolkit** for frontend–backend communication and application state management.

Shopping World – E-Commerce Frontend Application
Personal Mini Project | *Next.js, React.js, Bootstrap 5, Bootstrap Icons, Vercel*

- Developed a responsive e-commerce frontend with product listing and product detail pages.
- Deployed the application on Vercel: Live Demo

EDUCATION

Master of Science (MSc) in Computer Science 2014 – 2016
Farook College, Calicut | University of Calicut India

Bachelor of Science (BSc) in Computer Science 2011 – 2014
KAHM Unity Women's College, Malappuram | University of Calicut India

TRAINING & CERTIFICATIONS

- **AI-Powered Full Stack Developer Internship (React + Python)** *Upcode Software Labs* | Dec 2025 – Present
- **AI Bootcamp** *Upcode Software Labs* | 2025
